

**Rajan Krishnan**

Director, Deep Conversion Project,
TOTAL Port Arthur Refinery

Rajan Krishnan

Rajan Krishnan became Director of the Deep Conversion Project at the TOTAL Port Arthur Refinery in 2006. He graduated from the University of Calicut in India in 1975 as a chemical engineer and has a Masters degree in chemical engineering from the French Petroleum Institute. He held management positions at TOTAL's heavy oil joint venture in Venezuela before coming to the Port Arthur Refinery as Technical Manager in 2002. He became Assistant General Manager at Port Arthur in 2003.

Rajan Krishnan was member of TOTAL's Diversity Council since its inception in 2004 until 2008. He has served as panelist in NPRA Q&A session.
